

ALUMNI EVENTS COMMITTEE

CSA is recruiting alumni for the academic year of 2025-2026. It is the Alumni Committee's duty to support CSA's network consisting of former active members. You will be responsible for organizing activities and events, which will enable alumni to reconnect with each other and support both personal and professional growth. Events consist of informal activities, such as drinks and dinners. Moreover, as an Alumni Committee member, you also have input in our CSA Alumni social media account, on platforms like, Instagram, Facebook, and LinkedIn. The Alumni Committee's goal is to maintain a strong network between CSA and alumni. In other words, bring former active members together for leisure and network opportunities within CSA.

WHAT WILL BE YOUR ACTIVITIES AS AN ACTIVE MEMBER OF THE ALUMNI EVENTS COMMITTEE?

The goal as an Alumni Committee member is to establish and maintain a solid network with former active members. This will be done through the eyes of former active members that have experienced CSA and know what gets other alumni reconnected. This means organizing informal events and using your skills to make these events successful. Past year's events include casual, sports and educational events. In addition to organizing informal events, the Alumni Committee also manages the CSA podcast series. As a committee member, you may contribute to recording, editing, and promoting the podcast, providing a creative platform for alumni to reconnect.

WHAT WILL BE YOUR ACTIVITIES AS THE HEAD OF THE ALUMNI EVENTS COMMITTEE?

As the head of the Alumni Events Committee, you will be responsible for leading the team throughout the process of organizing alumni events and work on the event management and strategy together with the Commissioner of Internal Affairs.

WHAT DOES CSA OFFER?

We offer you a year where you are able to meet a new group of enthusiastic people and reconnect with that CSA family feeling. Additional to this, you will be able to reconnect and establish connections with alumni that can offer you their experiences and knowledge in certain fields.
