

CAREER EVENTS COMMITTEE

CSA is recruiting members for its Career Events Committee next academic year (2025-2026). The Career Events Committee organizes the association's flagship career event 'CSA Career Days'. This flagship event revolves around connecting ambitious students and young professionals to globally oriented companies. Additionally, members of the Career Events committee will also organize company dinners, in-house days and career-related workshops. You will contribute to bridging business cultures and assist in establishing career paths for students where they can grow professionally. For this, CSA is searching for communicative networkers who are able to creatively scout and tackle opportunities that benefit the target group of CSA.
