- C. Each raffle ticket costs €2 and the number of raffle tickets awarded is based on the amount of money contributed (i.e. donating €4 gives you 2 raffle tickets). Alongside that CSA is also running the following deals:
  - a. Each time you buy 5 raffle tickets, you get 1 extra raffle ticket for free.
  - b. Each time you buy 15 raffle tickets, you get 5 extra raffle tickets for free.
  - c. Each time you buy 30 raffle tickets, you get 30 extra raffle tickets for free.
  - d. Each time you buy 40 raffle tickets, you get 45 extra raffle tickets.
- D. Raffle tickets are non-refundable.
- E. Buying a raffle ticket does not guarantee receiving a prize as the winning raffle tickets are chosen randomly.
- F. CSA will contact the winners of the prizes via email if they did not attend the dinner. Winners of the prizes need to contact CSA within 7 days starting from the day after the charity raffle has ended. If a winner fails to do so, CSA will draw a new winner.
- G. The discount vouchers cannot be used in combination with the CSA membership discount.
- H. If an event has to be canceled, rescheduled or relocated, CSA will inform the members to the best of its ability. If the cancellation of a CSA event is due to circumstances beyond CSA's control, CSA is not liable to repay the participation fee.
